All parts are made to order and can be customized in many ways!

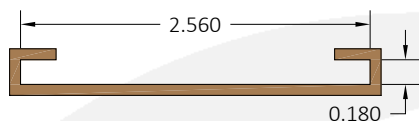

- You specify cut length
- Clear or opaque
- Tipped ears
- Custom pack-outs
- Black, white, or custom color
- Double-sided tape
- Fabrication: holes, slots, notches, etc.

If you need a size not shown, contact us. We may have it already, and even if we don't, a new tool may be more economical than you think!

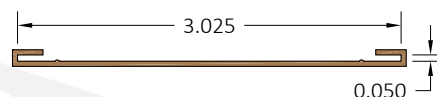

Note: All dimensions shown are nominal and will vary by typical extrusion tolerances.
